Patidarrang College at the Point of NEP, 2020

Gauhati University has implemented educational programmes structured under NEP-2020 from Academic Session i.e. from 2023. It has been a quite a bit of challenge to roll out the NEP-enabled programme, especially with over more than 300 affiliated colleges ranging across the length and breadth of the State of Assam.

Our flagship programme under NEP 2020 will be the Four-Year Undergraduate Programme, code named GU-FYUGP (or FYUGP), which is the four-year Bachelor's Degree programme with multiple entries and exits. This is being implemented in all affiliated colleges under Gauhati University as well as in the University Campus. With over more than 40 (forty) diverse subjects under the programme, this has been one of the biggest academic exercises, the university has carried out since the implementation of the semester system in undergraduate level. All new admissions to the Bachelor's Degree programme will be under GU-FYUGP (Gauhati University) starting from academic session 2023-24.

As we progress through our implementation roadmap, you will be able to see the forthcoming developments and updates through the university website.

Please navigate from the top navigation bar to go to different sections.

Patidarrang College has been made ready for high-quality higher education catering to the needs of learners coming from a diverse background in terms of both economic and socio-political concerns. Necessary infrastructural, pedagogical, administrative and psycho-social rearrangements have been designed in response to the lofty goals and SDGs proclaimed in NEP, 2020. We will, in our part, leave no stone unturned to contribute to the national agenda of getting promoted to a global study destination.

As per the direction of the Department of Higher Education, Assam, a Task Force has already been constituted in our college, under the chairmanship of the Principal, for implementation of the NEP, 2020.
